

# Trail of the Gods City of Stevenson

Project Completed: May 2015

## Project Information

RTC funding: \$66,400 in TAP Funds

Total Project Cost: \$904,700

Project Type: Bike/Pedestrian Improvement

Project Length: 0.45 miles

## Project Description

This project extends the City of Stevenson's multi-use trail system to its western city limit, opens the first link of multi-use trail between the City of Stevenson and the Bridge of the Gods, and designs of a vehicular and pedestrian wayfinding signage system.

## Project Benefits

- The project provides an aesthetic and safe pedestrian and bicycle connection and increase travel options for the community and the community's visitors.
- Provides an off-highway pedestrian and bicycle link between Stevenson and Bridge of the Gods.
